PURSHOTTAM SHARMA

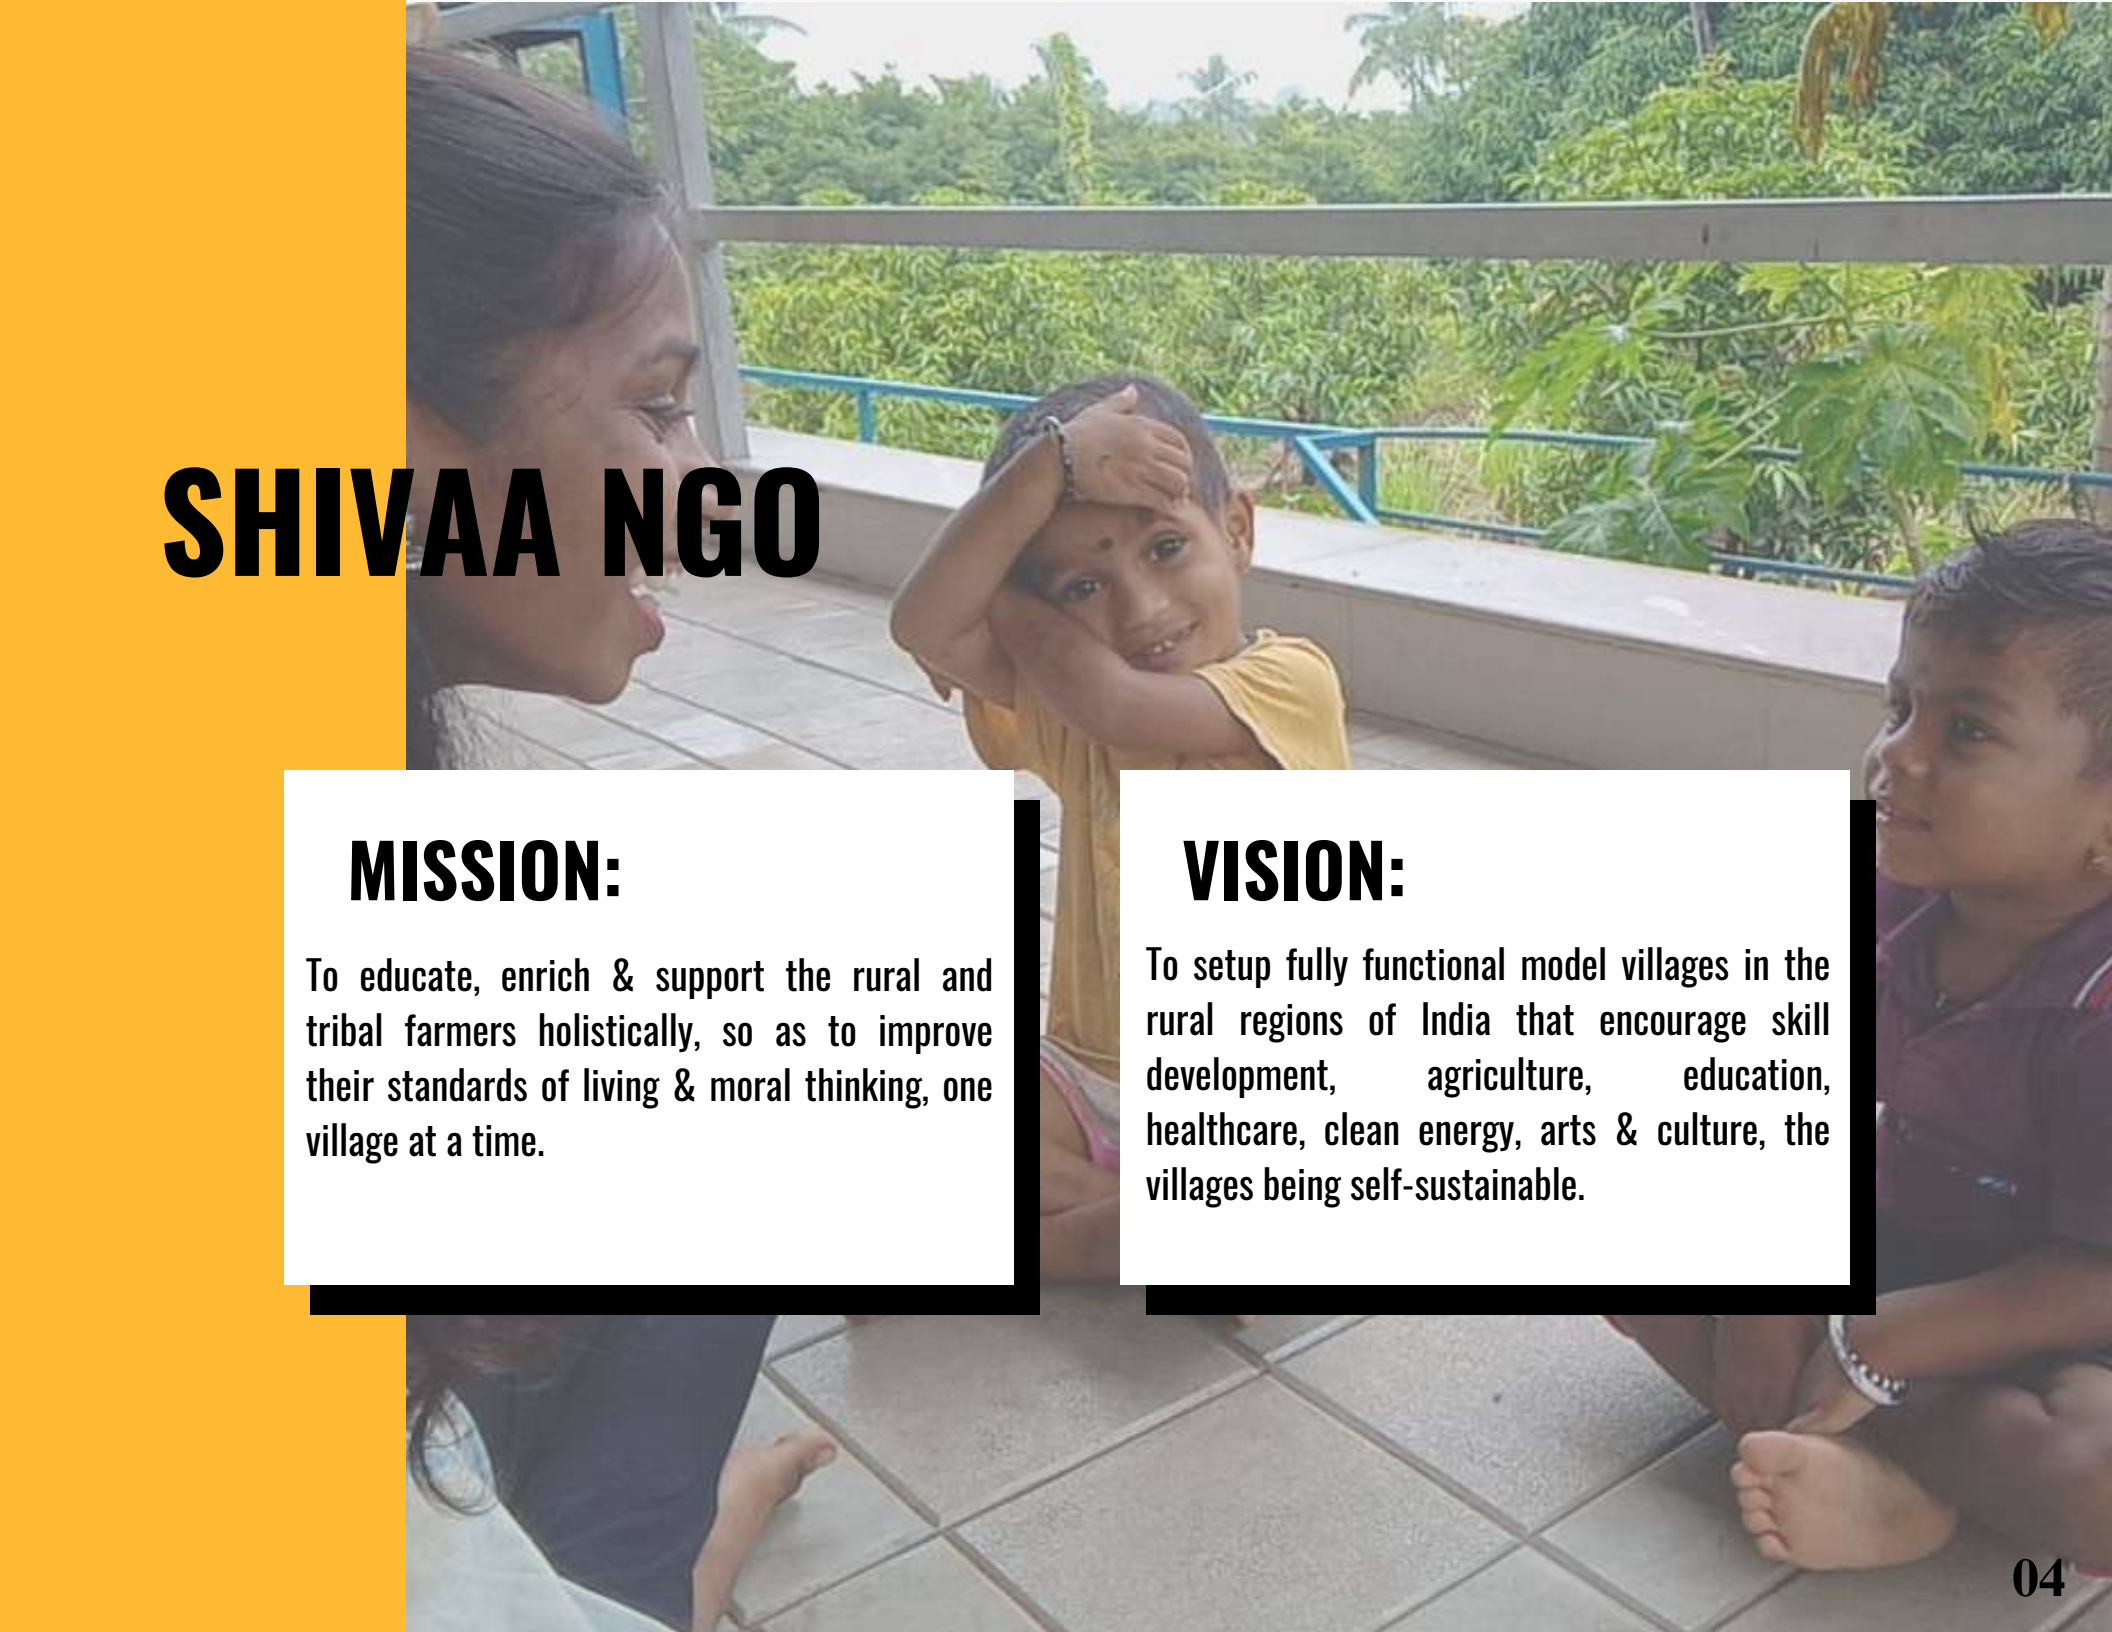

(Founder)

Mr. Sharma believes that each one of us has an intrinsic duty to help, assist and give back to the community around us. Thus came to life, the Shri Harihar Socio Spiritual Cultural Evolution Trust (later to be known as the Shivaa Foundation). He began imparting knowledge to the citizens of Wada, teaching them about Karma philosophy, sustainable living, and the fundamentals of human life.

Now, over two decades later, the Shivaa Foundation is plush with plantations, has incorporated key sustainable farming techniques and is a rehabilitation haven for distressed Wada locals. A lover of Vedic faith, chants, and sound energies, Mr. Sharma invites everyone to join him to pave the way towards a more sustainable, cooperative, joyous future.

SHIVAA NGO

MISSION:

To educate, enrich & support the rural and tribal farmers holistically, so as to improve their standards of living & moral thinking, one village at a time.

VISION:

To setup fully functional model villages in the rural regions of India that encourage skill development, agriculture, education, healthcare, clean energy, arts & culture, the villages being self-sustainable.

AGRICULTURAL SUPPORT

Have regularly distributed seeds & organic fertilizer to the local farmers to help them get better yield and reduce financial burdens.

So far we have helped around 2000 local farmers since our inception, some in multi-generational capacity.

EDUCATION

We have directly and indirectly supported over 15 schools in the region. We work with the schools as well as students on a regular basis.

We provide uniforms, books and other study material from time to time. We also provide additional educational support, sports education & equipment.

Our Work has positively impacted over 3000 kids so far.

GURUKUL - RESIDENTIAL SCHOOL

Started by our Founder in 2021 with the aim to provide underprivileged children with access to food, accomodation, sanitation, & education, empowering them to break poverty & build a brighter future.

HEALTH AND NUTRITION

Prioritizing health is not just a choice but a necessity for a vibrant and thriving existence. Through our collaborative efforts and community engagement, we work to ensure a healthy life for our community.

Community kitchen: - Through our community kitchen, we serve nutritious meals to all those in need. This past year, we delivered over 10,000 meals to individuals in need.

Ration kit distribution: - Throughout the year, we distributed more than 300 kits containing essential food items to the tribal community.

LIVELIHOOD & WOMEN EMPOWERMENT

Through our initiatives, we strive to uplift and empower women by providing them with opportunities for education, skill development, and economic independence.

- This year, we organized sewing machine training sessions and plumbing workshops specifically tailored for women.
- Through these initiatives, we provided valuable skills and opportunities for women to gain independence and contribute to their families' livelihoods.

ANIMAL WELFARE

Animal welfare is central to our NGO's mission.

We care for over 50 cows at our gaushala, symbolizing our dedication to harmony between humans and animals.

This contributes to the sustainable livelihood of tribal communities who rely on these animals.

SPORTS TRAINING

Through sports, we aim to promote physical activity, teamwork, and discipline among the children and youth.

Through our programs, we have been able to promote physical activity, teamwork and discipline among children and youth and promote their holistic development.
